## SUMMARY

Enthusiastic and self-driven Computer Science undergraduate with a focus on Software Development roles. Curious in finding real world solutions. Habitual to positive work flow and building continuously. Strong problem-solving mindset with proven achievements.

## EDUCATION

| | |
|---|---|
| **Lovely Professional University** | Jalandhar, Punjab |
| *Bachelor of Technology in Computer Science and Engineering (Full Stack Hons.)* | *Aug 2023 – Jul 2027* |
| **Army Public School** | Deolali, Maharashtra |
| *Secondary High School - PCM* | *Aug 2021 – Mar 2022* |

## PROJECTS

**Conference Booking App |** *Go, React, PostgreSQL, Docker, Git*

A booking website for daily conferences.
- Developed a full-stack web application using Go serving a REST API with React as the frontend.
- Implemented containerized database and persistent volume using PostgreSQL.
- Followed CORS, query handling and JWT concepts.

**Smart Process Manager |** *C++, CMake, Git*

A command-line tool to manage system processes for Windows and Linux.
- Lists processes with PID, name and priority.
- Allow users to kill or re-prioritize processes.
- Includes logging system and processes for success and error handling.

**Windows Scripts |** *PowerShell Scripting, C, Make, Git*

A self-maintained automation scripting repository.

- Developed using Linux daily commands for personal productivity.
- Implemented modules integrated with C programming.
- Continued project.

## SKILLS

**Languages:** C/C++, Java, Python, Go, JavaScript, HTML/CSS
**Framework:** React, Node.js
**Backend and Database:** Experss.js, MongoDB, SQL (PostgreSQL)
**Developer Tools:** Git, GitHub, Docker, VS Code, Vim
**Soft Skills:** Communication, Teamwork, Creative Problem-Solving, Adaptability, Formal Presentation

## ONLINE COURSES & CERTIFICATIONS

| | |
|---|---|
| Foundations of User Experience (UX) Design | *Coursera* |
| Master CPP (LPU X GFG) | *GFG* |
| Responsive Web Design | *freeCodeCamp* |
| Python | *GUVI* |

## ACHIEVEMENTS

| | |
|---|---|
| Selected for Campus Ambassador representing LPU X GFG. | |
| Earned 5* in Python and C++ languages under HackerRank portal. | *Visit* |
| Reached Expert (1739-max) rating in CodeForces. | *Visit* |
| Recognized for leadership at university-level debate and group discussions. | *Visit* |
